Future of Transportation Funding Could be in the Hands of Voters

Missouri State Senators Mike Kehoe and Ryan McKenna held a news conference to announce their co-sponsorship of legislation intended to kick-start the discussion on transportation funding. Representative Dave Hinson and several co-sponsors introduced a similar bill in the House.

Congestion Costs Missourians Time and Money

How would you like to spend a week's vacation sitting in traffic? According to a study by the Texas A&M Transportation Institute, the average American urban commuter can expect to experience 38 hours of delay every year, due to congestion. [Congestion](#)

On the Move Listening Sessions Scheduled

MoDOT's "On the Move" effort to gather feedback from Missourians about transportation issues and priorities is continuing with listening sessions across the state. Check the website for program information, listening sessions, schedule a speaker for your group or organization and provide your insights and comments online. [On the Move](#)

OFF THE ROAD NEWS

MoDOT Participates in the Great Central U.S. ShakeOut

MoDOT recently joined more than 2.4 million people to participate in the 2013 Great Central U.S. ShakeOut, an earthquake preparation drill. Missouri was one of nine states taking part in the ShakeOut, which was held on the 201st anniversary of the largest earthquake to ever occur in Missouri. The main focus of

the drill is to prepare and practice for a major earthquake. Everyone can benefit from this information. [Drill](#)
