 Program

New State Transportation Program Focuses on Roadway Maintenance

Every year, MoDOT releases its Statewide Transportation Improvement Program, which lists all transportation projects planned by state and regional planning agencies for a five-year period. This year, the draft 2014-2018 program, also known as the "STIP," is available for public review and comment through May 31, 2013. [STIP](#)

MoDOT Lists Significant Summer Work Zones

To help ease your summer travel planning, MoDOT offers a list of high-impact work zones.

Although MoDOT's construction budget is about half of what it was two years ago, drivers will encounter significant work zones as MoDOT and its contractors work to best preserve the state's transportation system with the funding that is available.

MoDOT wants you to rate our work zones. Go online and complete the brief survey. [Survey](#)

Statewide Pothole Patrol a Success

This spring MoDOT officially launched a statewide pothole initiative to address the seasonal crop of potholes that appear as the weather gets warmer. Despite some late season snowfall and even some flash flooding, more than 130,000 potholes were filled across the state.

You can report a pothole or other road concern by visiting MoDOT's website. [Road Concern](#)

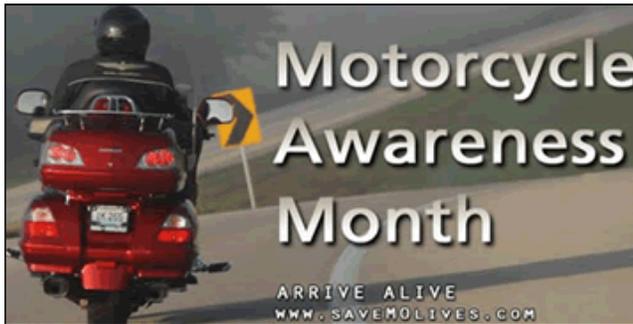

SAFER ROADS

Law Enforcement Buckling Down on Those Not Buckling Up
Click It or Ticket - Day and Night

As summer heats up, so does safety belt enforcement. Law enforcement officers are cracking down on unbelted drivers May 20-June 2 for an aggressive national "Click It or Ticket" campaign. [Click It](#)

May is Motorcycle Awareness Month

Motorcyclists and motorists are encouraged to safely "share the road" this May in observation of Motorcycle Safety Awareness Month. All motorists are reminded to watch for motorcycles and to be extra alert to help keep motorcyclists safe, while motorcyclists are reminded to make themselves visible to other motorists. There were 276 motorcyclists killed from 2010-2012. [Awareness](#)
