

CITY OF COLUMBIA, MISSOURI

PUBLIC WORKS DEPARTMENT

September 26, 2013
Revised October 8, 2013

Dear Consultant:

The **City of Columbia** is requesting the services of a consulting engineering firm to perform the described professional services for the project described on the attached Project Information Form. The project is known as the Clark Lane West and Hinkson Creek Trail Pedway, which includes a sidewalk with storm water management along Clark Lane and a pedestrian and bicycle trail along Hinkson Creek under an I-70 bridge.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the City of Columbia, Public Works Department.

The response submittal must include the following:

Letter of interest

Statement of Qualifications

Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify

Memorandum of Understanding (15 CSR 60-15.020)

The letter of interest and Statement of Qualifications should include a statement to indicate why your firm is interested in the project together with any information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individuals, the approach your firm would take in completing the project, a proposed timeline showing major milestones, and a list of relevant projects your firm has recently completed or are now active.

The DBE goal for this Engineering Services Contract will be 12.0%.

The City of Columbia will evaluate submittals from interested firms according to the criteria listed in the Project Information Form.

We request all letters of interest with required submittals be received by 5:00 pm, October 31, 2013

Sincerely,

A handwritten signature in black ink, appearing to read "Cliff Jarvis", with a long horizontal flourish extending to the right.

Cliff Jarvis
GetAbout Program Engineer
