

## CITY OF COLUMBIA, MISSOURI

PUBLIC WORKS DEPARTMENT

February 4, 2013

Dear Consultant:

The **City of Columbia** is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at [www.modot.gov](http://www.modot.gov), in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) and an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15 CSR 60-15.020) be submitted with your firm's Letter of Interest.

We request all letters of interest with required submittals be received by 12:00 p.m., CST, on **Wednesday, February 20, 2013** at the address included on the attached list.

Sincerely,

CITY OF COLUMBIA - PUBLIC WORKS DEPARTMENT

A handwritten signature in blue ink, appearing to read 'Rick Kaufmann', is written over the typed name.

Rick Kaufmann, P.E.  
Engineering Supervisor  
Capital Improvement Project Design
