Dear Consultant:

The City of Prairie Home, Missouri is requesting the services of a consulting engineering firm to perform the described services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the City of Prairie Home, Missouri, as follows:

Attn: Kim Force, City Attorney
City of Prairie Home, MO
P.O. Box 62, 416 Hwy Drive
Prairie Home, MO 65068
Fax: 660-427-5794
Email: kforce@iland.net

Please limit your letter of interest to no more than five (5) pages. Your letter should include any information that might help us in the selection process, such as the persons or team that you would assign to this project, the backgrounds of those individuals, and other projects that your company has recently completed, or which are now active. It is required that your firm's Statement of Qualification (RSMo. §§8.285 to 8.291) be submitted with your Letter of Interest. The Statement of Qualification does not count toward the total page count limit.

DBE firms must be listed in the MRCC DBE Directory listed on MoDOT's website at www.modot.gov, in order to be counted as participation toward an established DBE Goal. We encourage DBE firms to submit Letters of Interest as prime consultants for any project they believe can be managed by their firm.

Additionally, it is required that your firm be pre-qualified with MoDOT and listed in MoDOT's Approved Consultant Pre-Qualification List, or your firm will be considered non-responsive.

We request all letters be received by 12:00 noon on May 21, 2015, at the above-listed address. Facsimile and email responses are also acceptable.

Sincerely,

Kimberly A. Force
City Attorney
