Dear Consultant:

The City of Neosho is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 5 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds and qualifications of those individuals, how many projects or similar types of work has your team completed or nearly completed, and a description of methods you intend to utilize or have used in the past to serve the needs of a City located in a non-urban rural community.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at [www.modot.gov](http://www.modot.gov), in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) and an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15 CSR 60-15.020) be submitted with your firm's Letter of Interest.

We request all letters be received by 3:00 pm, (01/03/2013) at City of Neosho (Attn: Dana Daniel), 203 E. Main Street, Neosho, Mo. 64850.

Sincerely,

Dana Daniel  
City of Neosho / Development Service Director
