PRE-APPROVAL:

After reviewing submitted samples for the Light-Duty Adopt-A-Highway Safety Vests, the following vests have been approved and acceptable for bid.

As previously stated, MoDOT requires that each bidder provide a copy of the independent lab tests/certification performed to certify that the materials used to produce the light-duty AAH Vests truly meet the ANSI/ISEA 107-2004 Class 2 safety standards. Cost(s) of such tests will be the responsibility of the bidder.

All safety apparel must have a label on the garment stating ANSI 107-2004 compliant.
