

**ADDENDUM 003
REQUEST FOR BID -
VARIABLE SPEED LIMIT SIGNS
RFB NUMBER: 2-080115**

Bidders shall acknowledge receipt of Addendum 003 (THREE) by signing and including it with the original bid. Accordingly, the change is believed to be of general interest to all potential bidders. All other terms and conditions remain unchanged and in full force.

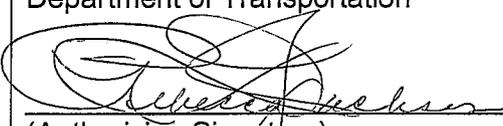

PRE-QUALIFICATION:

After reviewing submitted specs for the Variable Speed Limit System, it was determined there was a sole acceptable response. Specifications and documents submitted by ASTI for review show that ASTI is able to supply the signs, software and maintenance as required by the general specifications in the posted Request For Bid (RFB) 2-080115.

Therefore, ASTI is pre-qualified to submit bids for the Variable Speed Limit System based on the use of their variable speed limit signs, and the proposed Computerized Highway Information Processing System (CHIPS) software and maintenance operations subject to the general specifications of RFB 2-080115.

Specifics shall include:

- 1) Variable Speed Limit Sign
- 2) ASTI custom designed webpage
- 3) ASTI CHIPS software
- 4) Digital Modems with GPS capability, controller and solar power system
- 5) Maintenance of VSL hardware, solar and communications
- 6) Maintenance of CHIPS software and webpage.
- 7) Optional installation of system hardware.
