

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE
The Missouri Department of Transportation has determined that only
one source can provide the products or services described below

Title: SFS 3-070427 Paxton-Mitchell Repair/Upgrade

Description: The Missouri Department of Transportation has determined that only one source, Paxton-Mitchell Company, Omaha, NE., can furnish the department with the repair and upgrade to an existing Paxton-Mitchell Snooper Underbridge Inspection Unit. This repair/upgrade shall consist of shortening the truck bed and after-frame to standard length, removing air compressor, genset, oil tank, cooler, and tandem pump assembly, installing a new standard hydraulic pump, relocating emergency hydraulic power pony motor, installing counterweight as needed to compensate for equipment removed, removing old tag axle and installing new tag axle system, with the engineering to recalculate stability requirements, counter-weighting, etc and test the unit.

To our knowledge, this repair/upgrade cannot be purchased from any other provider.

Contract Period: Three years, expiring on April 30, 2010

Renewal Options: None.

Agency: Missouri Department of Transportation
