

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

- Title:** SFS 7-070220 - CoreLok Density Measurement System.
- Description:** The Missouri Department of Transportation has determined that only one source, Instro Tek, Inc., Raleigh, NC., can furnish the department with a density measurement system that meets the specifications, that was developed by the Materials and Constructions Division, for measuring the densities of aggregate and asphalt pavements. Purchases for various items may exceed \$25,000 individually and/or cumulatively and be made February 20, 2007 to February 19, 2008, with an option of a one-year renewal. A contract to purchase parts and supplies for this density measurement system to make this machine perform to MoDOT requirements and specifications may be executed with InstroTek, Raleigh, NC., on February 20, 2007.
- Contract Period:** February 20, 2007 to February 19, 2008
- Renewal Options:** **One year renewal option**
- Agency:** Missouri Department of Transportation
