

## **SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE**

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below**

**Title:** SFS 7-070402 Security System Hardware and Monitoring Services

The Missouri Department of Transportation, General Services, to the best of their knowledge, has determined that there is only one known source, Sonitrol of Jefferson City, MO., that can furnish the department with maglocks, prox readers and exit devices that provide access control and is compatible with the existing access and security systems currently in use at the Missouri Department of Transportation facilities located in the Jefferson City area and is currently provided by Sonitrol of Jefferson City, Missouri. No other manufacturer's detection system provides the necessary operational and characteristics that are compatible with the existing monitoring services currently being provided. Purchases for various items may exceed \$25,000 individually and/or cumulatively may be made throughout calendar year 2007 and expiring on December 31, 2007. This authorization may be extended for five additional 1-year periods unless additional suppliers are identified upon the expiration of any single feasible source authorization period.

**Contract Period:** April 3, 2007 through December 31, 2007

**Renewal Options:** Five (5) additional one-year periods

**Agency:** Missouri Department of Transportation

**Supplier:** Sonitrol of Jefferson City, MO  
314 Lafayette Street  
Jefferson City, MO 65101
