

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: Instron Lab Testing Machines - SFS 7-070427

Description: The Missouri Department of Transportation, Construction and Materials, has determined that only one source, Instron Corporation, Norwood, MA, can furnish the Department with a Model P9M Rebar Extensometer, Pinion Assemblies and set of four cable grip insert holders designed for use with a 5594-200HVL universal Testing Machines. This is proprietary equipment and is only manufactured by Instron Corporation. Purchases relating to these items will not exceed \$25,000 individually and/or cumulatively and may be made throughout calendar year 2007, with an option of a one-year renewal that will not exceed \$25,000 individually and/or cumulatively throughout calendar year 2008. A purchase order for the approximate amount of \$12,000.00 may be issued to Instron Corporation, Norwood, MA, on April 30, 2007 for the above-described pieces of equipment, along with all other parts, supplies, preventative maintenance, verification of calibration, support and extended warranty to make this equipment perform to MoDOT requirements and specifications.

Contract Period: April 30, 2007 to December 31, 2007

Renewal Options: One-year renewal option – January 1, 2008 to December 31, 2008.
