SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE
The Missouri Department of Transportation has determined that only
one source can provide the products or services described below

Title: SFS 7-070430 – Patrolled Vehicle Mounted Thermal Inspection System

Description: The Missouri Department of Transportation, Motor Carrier Division, has determined that only one source, Thermal Eye Technologies, Winchester, Kentucky can furnish the department with a Patrolled Vehicle Mounted Thermal Inspection System (PVMTIS). This integrated mobile screening system for Commercial Vehicle Safety can be quickly deployed on a patrol car or tripod base for running gear inspections on moving vehicles. Thermal Eye's PVMTIS is designed specifically for commercial vehicle enforcement officers and inspectors as a tool to increase the safety and efficiency of current operations. The cost of the (PVMTIS) is approximately \$50,000.00. A purchase order for the approximate amount of \$106,000.00 may be issued to Thermal Eye Technologies, Inc., Winchester, Kentucky, on May 01, 2007 for the above-described pieces of equipment, along with all other parts, supplies, support and extended warranty to make this equipment perform to MoDOT requirements and specifications.
