

# Construction Delays Scheduled for I-70

Broadway Bridge over I-670 to be removed and replaced. Broadway closed from May 7 to early fall. Expect some nighttime and weekend closures of I-670.

Woodland Avenue bridge work completed April 30

Westbound I-70 reduced to two lanes between Van Brunt and the Benton Curve through July for rehabilitation of Bridges at Van Brunt, 18th Street, K.C. Terminal Railway and Truman Road

Ramp reconfiguration at Route 40 to and from eastbound I-70 to open May 4. Ramps at westbound I-70 to close mid-June to August 1.

Southbound ramp from I-435 to Route 40 and ramp from Route 40 to northbound I-435 to be completed in fall.

Resurfacing will restrict traffic at night on eastbound and westbound I-70 between Pittman Road and I-470 from July through September

Westbound I-70 at Manchester will be reduced to two lanes from early May through mid-June. Work will require full closure and detour of westbound I-70 for one weekend.

Collector ramps from I-435 to eastbound I-70 to be completed by December. Northbound and southbound ramps from I-435 to eastbound I-70 will be closed for up to 30 days.

George Brett Bridge (Blue Ridge Cutoff) over I-70 opened March 30.

Eastbound and westbound I-70 reduced to two lanes for bridge work at Route 40 and Sterling from May 5 through August 2. Ramps will close at times.
